

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

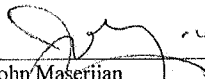

In the Matter of the Application of Central Hudson Gas & Electric Corporation for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law to Rebuild the H and SB Lines of Approximately 23.6 miles from 69 kilovolts to 115 kilovolt standards in the City of Kingston and Towns of Ulster and Saugerties in Ulster County, and the Town of Catskill and Village of Catskill in Greene County

Case 17-T-0816

CERTIFICATE OF SERVICE

STATE OF NEW YORK)
COUNTY OF ONONDAGA) ss.:

I hereby certify that on May 3, 2021, I served copies of the Public Notice of the filing of Central Hudson Gas & Electric Corporation's Environmental Management and Construction Plan ("Filing Notice"), as required under Certificate Condition 29 of the Public Service Commission's Order Adopting Joint Proposal issued August 14, 2020, on each of the property owners listed on the attached Property Owners List by United States Postal Service first class mail.

John Maserjian
Media Relations Director
Central Hudson Gas & Electric Corporation
284 South Avenue
Poughkeepsie, NY 12601

Sworn to before me this
3rd day of May, 2021.

Qualified in Onondaga County
Commission Expires 10/17/2022

April-May 2021

Dear property owner:

As the owner of property located near or adjacent to a Central Hudson electric transmission line that is planned to be rebuilt, you are being provided with this public notice regarding filing of the Environmental Management and Construction Plan for the project. Details and contact information are noted below.

Central Hudson Gas & Electric Corporation

PUBLIC NOTICE

NOTICE OF FILING OF AN ENVIRONMENTAL MANAGEMENT AND CONSTRUCTION PLAN FOR THE H AND SB LINES REBUILD PROJECT

Case 17-T-0816 – Petition of Central Hudson Gas and Electric Corporation for a Certificate of Environmental Compatibility and Public Need for the Rebuild of the Approximately 23.6 Mile H and SB Electric Transmission Lines to 115 kV Standards in the City of Kingston, and Towns of Ulster and Saugerties in Ulster County, and the Town of Catskill and Village of Catskill, Greene County

The New York State Public Service Commission (“Commission”) issued an Order Adopting Joint Proposal on August 14, 2020 (“Order”) in Case 17-T-0816 to Central Hudson Gas and Electric Corporation (“Central Hudson” or the “Company”) for the rebuild of approximately 23.6 miles of two electric transmission lines (the H and SB lines) in Ulster and Greene Counties (the “Project”). The Order requires Central Hudson to file a proposed Environmental Management and Construction Plan (“EM&CP”) for the Project.

On or about May 3, 2021, Central Hudson will be filing a proposed EM&CP for the Project with the Commission in compliance with the Order.

EM&CP

The EM&CP describes the construction procedures and environmental protection measures to be implemented during the rebuild of the H and SB lines. Section A of the EM&CP addresses development of the plan and profile drawings, and maps. Section B provides a description of the Project and the statement of objectives, techniques, procedures and requirements for the Project.

An electronic version of the EM&CP will be available for public inspection online on the Commission’s Document and Matter Management page for this case at the following location: <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=17-t-0816&CaseSearch=Search>, or by visiting the Commission’s web site (<http://www.dps.ny.gov>), clicking the “Search” tab, and entering “17-T-0816” in the “Search by Case Number” box.

The EM&CP will also be available for public inspection during normal business hours at the following local libraries:

Saugerties Public Library
91 Washington Avenue
Saugerties, NY 12477

Town of Ulster Public Library
860 Ulster Avenue
Kingston, NY 12401

CENTRAL HUDSON H & SB LINES PROJECT

The Project consists of the rebuild and re-conductoring (to 115 kilovolt (“kV”) specifications) of the existing 69 kV H and SB transmission lines (“H and SB Lines”) located between the Hurley Avenue Substation in the Town of Ulster, Ulster County and the North Catskill Substation in the Town of Catskill, Greene County, New York. The Project will generally occur within an existing approximately 150-foot-wide right-of-way (“ROW”), and span approximately 23.6 miles through the City of Kingston, and the Towns of Ulster and Saugerties in Ulster County, and the Village of Catskill and the Town of Catskill in Greene County. Approximately 1.2 miles of the H Line route is proposed to be relocated to avoid a sensitive environmental resource area designated by the New York State Department of Environmental Conservation (“DEC”) as the Great Vly Wetland (Vly) located adjacent to the Great Vly Wildlife Management Area.

Both the H and SB Lines will initially be operated at 69 kV and, when deemed appropriate, will be operated at 115 kV. The total distance of the H and SB lines is approximately 23.6 miles. The individual lengths of the H and SB lines are 12.2 and 11.4 miles, respectively.

COMMENTS, COMPLAINTS AND FURTHER INFORMATION

Any person may be heard by the Commission on any matter or objection regarding the proposed EM&CP by filing written comments with the Commission Secretary and Central Hudson (at the addresses immediately below) within forty-five (45) days of the date the proposed EM&CP was filed with the Commission or within forty-five (45) days of the date of the newspaper publication of this notice, whichever is later. Please reference Case 17-T-0816.

Hon. Michelle L. Phillips
Secretary to the Commission
New York State Public Service Commission
Agency Building 3
